We have a statutory duty to advertise some applications received by North Ayrshire Licensing Section. Not all licensing procedures allow for comments from the public. Where these are possible any objections and/or representations must be made in writing within 28 days of receipt to:

1. Your comment should be signed. If you are contacting us by email, you should follow this with a signed letter. Otherwise, it is at least possible that your objection or representation will not be taken into account (under some licensing legislation, unsigned comments are automatically discarded).
2. Petitions are unlikely to be accepted as sufficiently specific, and it is better for individuals to send in their own signed and written comments.
