

North Ayrshire Council Equality & Children's Rights Impact Assessment (Screening Form)

This screening form encompasses key pieces of legislation that require the Council to assess its activities against.

- The Public Sector Equality Duty requires that we demonstrate that we are making decisions in a fair, transparent and accountable way. The Council must show that it has considered the needs and rights of people with protected characteristics.
- Where decisions affect young people, we must consider the 'Rights of the Child', under the United Nations Convention on the Rights of the Child (UNCRC).
- We must consider the Socio-Economic Impact under the Fairer Scotland Duty.
- Will any of our Islands be impacted differently from the mainland under the Island's Act?
- Will 'consumers' of our Services be impacted through the Consumer Duty?
- The various duties require that the Council assesses the 'impact' of proposals thoroughly before any decisions are taken. This should be proportionate to the decision that is being made.

This form should assist in assessing whether a full impact assessment is required.
