Points to consider

You must nominate a guest to be your 'master of ceremonies' should you wish this. Our staff can provide a mic for this and for your speeches.

Place cards, favours and centerpieces are not provided, however we may help with set up if clear instructions are provided.

To view ivory, silver, and grey sashes and table runners in the hall please email saltcoatsthbookings@north-ayrshire.gov.uk to arrange.

An on-site meeting will be arranged with our facilities management team around three months prior to the date of wedding.
