

North Ayrshire Performs – Key of Symbols

We use the following symbols in the [North Ayrshire Performs Portal](#) to show how we are performing.

| Performance Trends | | |
|---|---|---|
| Improving | No Change | Getting Worse |
|  |  |  |

| Performance Against our Target | | | |
|---|---|---|---|
| Data only/ No target set | Significantly Adrift of Target | Slightly Adrift of Target | On Target |
|  |  |  |  |

| Unable to Calculate Trend/Status | |
|--|---|
| These symbols mean that the system could not show performance as the data is not yet available or has no target for this year. | |
|  |  |

| Performance Indicator Types | | |
|---|------------------------|---|
|  | Aim to Minimise | Our aim is to reduce this value |
|  | Aim to Maximise | Our aim is to increase this value |
|  | Goldilocks | This type of indicator is used to describe the maintenance of performance between certain values. |
