

COMMERCIAL WASTE

We've got it sorted!

Dispose of and recycle your commercial waste with North Ayrshire Council from around **£5** per week* - A friendly, local service you can trust.

Why Choose Us?

*Quoted price is based on non food producing businesses which produce 120L of recyclable (non-food) waste and 120L of non-recyclable waste each week.

Why choose us?

Our commercial waste and recycling services are:

- **Local** - we understand the needs of North Ayrshire's local businesses and any surplus income can be used to reinvest in supporting local services.
- **Affordable** - our commercial waste charges are exempt from VAT and charges for 2021/2022 are frozen at 2020 prices.
- **Transparent** - there is no admin fee for Duty of Care paperwork, contract changes or other hidden costs.
- **Flexible** - ability to amend the number of collections you have at busier and quieter times of the year
- **Compliant** - we can help you save money, meet your statutory recycling obligations and to contribute to the protection of our environment

Commercial Food Waste

We also offer a food waste recycling service to help hotels, restaurants and cafés meet their food waste recycling needs for less than £5 per week.
