

# Cumbræ-Craft: Orienteering!

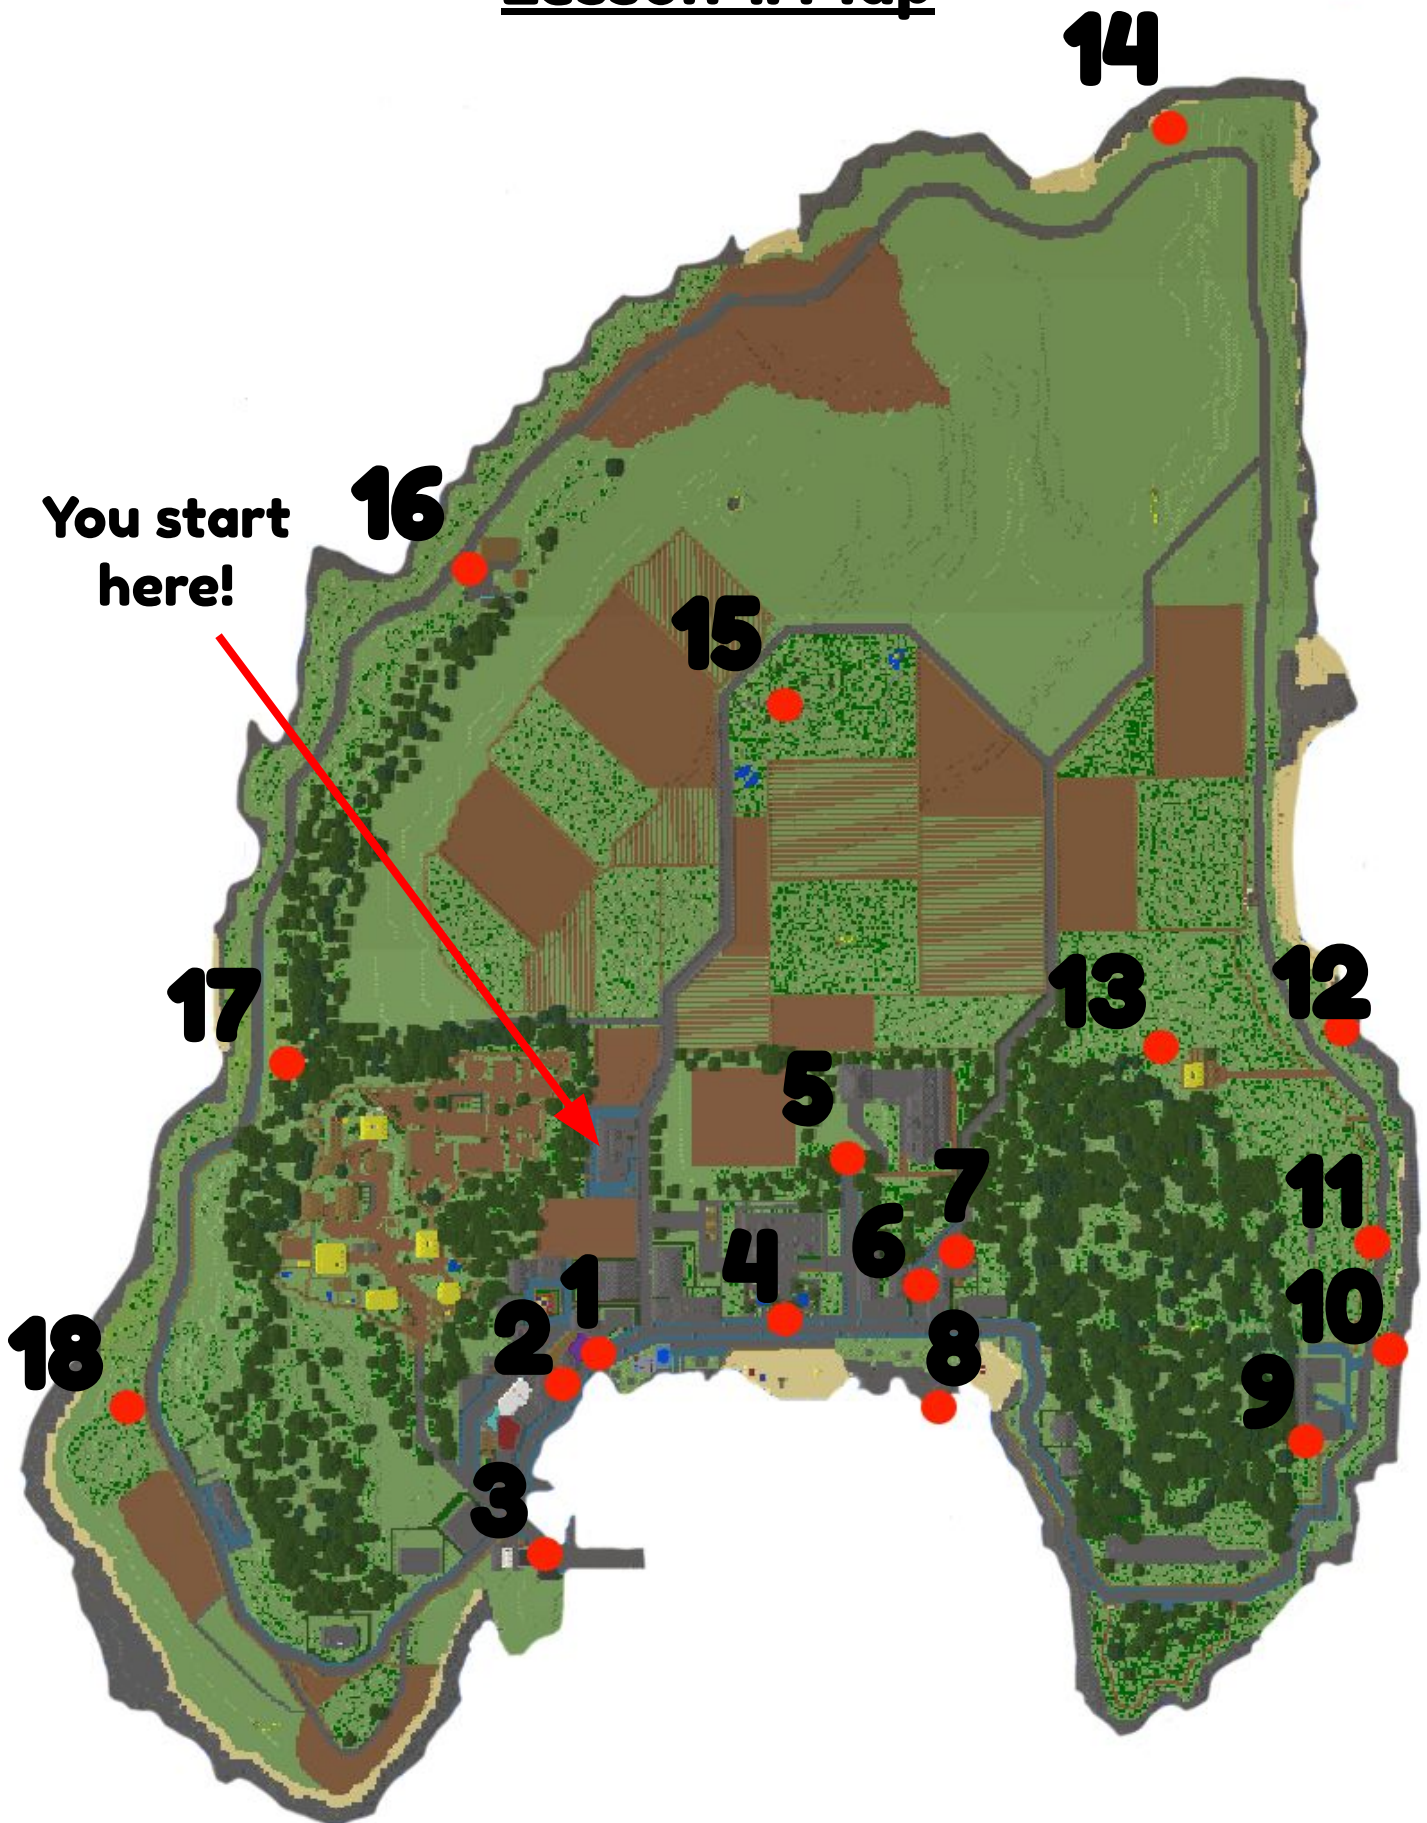

## Lesson 1

**Welcome to Orienteering! Today we will be exploring Cumbræ-Craft and learning a bit about Cumbræ's heritage.**

**What to do:** There is a worksheet with a map of the island - use this to track down each location and find out what it is. You can do this yourself or in a team. Make sure you write down what each location is below! After you find them all make your way back to the school.
